

CSCI 485 Team Status Report

Team #1

Week of February 4th through February 11th, 2018

Team Members: Katie MacEachern
 Max Jennings
 Ethan Rouse
 Logan Brown
 Samuel McKinnon
 Dylan Coakley

Status Report:

- The team had two meetings this week. One on Monday, and the other on Tuesday. Meeting minutes can be found on the project website.
- The weekly meeting on Monday was a discussion about each member's progress on their assigned part of the Requirements Specification deliverable, as Monday was set previously as the group deadline.
- The meeting on Tuesday was a discussion of the final additions to the Requirements and Specification document, as well as beginning to discuss the design of our system for the next deliverable.
- The Requirements Specification document was completed and handed into the instructor on Thursday. A digital copy of this deliverable is available in the project's website archive.
