Team _____#1_____

Week of _____January 28th_____ through _____February 4th, 2018_____

Team Members: Katie MacEachern
      Max Jennings
      Ethan Rouse
      Logan Brown
      Samuel McKinnon
      Dylan Coakley

Status Report:

- The team had one meeting this week, on Monday. Meeting minutes can be found on the project website.
- The weekly meeting on Monday was a discussion about the Requirements Specification deliverable. We went through the outline for the document to ensure that everyone understood what was expected
- Each member was assigned a portion of the Requirements Specification document to complete. The following is the assignments for the group:
  - Introduction: Dylan
  - Functional Requirements: Max, Sam
  - Non-functional Requirements: Ethan
  - User interface Requirements: Katie
  - Deliverables: Logan
  - Open Issues: Logan
- Set a deadline for everyones portion of the next deliverable to be complete by Monday, February 5th in order to give more time to revise and to prevent rushing.
