Signature _____Max Jennings_____

Timesheets are due at the beginning of class each Monday.
For meetings, simply list the hours.
For other types of activities list the hours and the activity.

Status Report: choosing project idea

Describe YOUR work effort for the week as it relates to the project.

I met with Dave Risk to see if his lab needed any
software. They had some project ideas but their timeline
was too short for our deadlines.

During our group meetings, we discussed each of our
project ideas and everyone pitched in their thoughts on
how we would approach them.
